Director's Report

by Mural Worthey

I am combining reports for November and December due to the holidays in each month and our Fall semester coming to an end in the midst of December. Classes for the Spring are listed in this report and students are now enrolling for both in-person and online classes.

After we completed a class recently and students were leaving after finishing their final exams, one spoke to me privately. He graduated a few years earlier, but returned to AC to take some additional courses. He related how he and his wife had become discouraged from what they were hearing in the churches they attended. He told me how much he had profited by our study of philosophy of religion. After our classes he and his wife talked about the material that we had covered. This often happens that in teaching one person, others benefit as well.

One of my online students in Romans recently moved to Amarillo from Thiel College in Greenville, PA. Collette DiAngi asked me to help her complete her BA degree by providing two courses that she needs to graduate. Regularly we have requests from students to provide studies in needed areas to complete their degrees in religious studies. When we can assist students, we try to accommodate their needs. This gives me additional opportunities to teach and encourage students from various religious backgrounds.

Our Fall graduation was held in the Civic Center in Amarillo on Friday evening, December 13. We honored one of our graduates at the Bible Chair on Saturday. Norma prepared a meal for her family and afterward we took pictures with Donna Warner. I expressed to her family that we appreciated her dedication in her biblical studies. For the past several years she completed her studies at AC while battling cancer. She introduced several of her family members to the Bible Chair and our classes. Some of these have plans to enroll for Spring 2025.

Since 2024 is quickly coming to an end, I want you to know of my appreciation for your support of the Bible Chair. I let my classes know how the Bible Chair exists at a State Community College. From them, thank you!
